

Job brief

Chief Financial Officer

This is an exciting opportunity to join a passionate and purpose lead Group of Companies with innovative and growing local & international tech businesses in finance and health. The role is open to qualified CA's (+7 years post articles) with Banking, Tech and Financial Services experience who are able to handle the full finance function, as well as assist with financial modelling relating to proprietary private equity investments.

Must haves:

- +7 years post articles CA(SA) with a minimum of 5 years in Banking/ Financial Services/ Tech
- +2-3 years in executive leadership role
- Experience in defining, developing and implementing finance systems required to support business growth
- Proven track record in capital raises with Private Equity/ Venture Capital partners
- Experience in working abroad (preferably United Kingdom) and in rapidly changing industries

Responsibilities:

- Serve as a member of the executive team defining, developing and executing the company's strategic objectives.
- Develop and execute the financial strategy of the business in line with sustainability, growth and scale.
- Drive efficiencies within the business with reporting on investment returns of deployed resources
- Risk and reward management of the business strategy
- Support the executive team with capital raising
- Review monthly and annual reports: balance sheet and profit & loss disclosures to the financial statements.
- Treatment of offshore investments and consolidations
- Tax structuring with a strong understanding of Intellectual Property related matters
- Facilitate ad hoc reviews and projects in Finance Control, projects aimed at enhancing and improving controls and processes in Finance and Operations
- Managing audits & payroll
- Review and approve all tax related submissions and matters (CGT, PAYE, Provisional tax, VAT)
- Develop periodic reports for management
- Keep up with financial policies, regulation and legislation
- Oversee the management and operations of the finance function
