Must have:

- +2 years post articles CA(SA) with a minimum of 3 years in Banking/ Financial Services/ Tech
- Experience in defining, developing and implementing finance systems required to support business growth
- Assistance in capital raises with Private Equity / Venture Capital partners an advantage
- Experience in working abroad (preferably United Kingdom) and in rapidly changing industries an advantage

Responsibilities

- Annual and monthly reports: balance sheet and profit & loss disclosures to the financial statements.
- Consolidations
- Treatment of offshore investments
- Tax structuring
- Facilitate ad hoc reviews and projects in Finance Control, projects aimed at enhancing and improving controls and processes in Finance and operations
- Conducting and managing audits
- Payroll
- All tax related submissions and matters (CGT, PAYE, Provisional tax, VAT)
- Develop periodic reports for management
- Keep up with financial policies, regulation and legislation
- Oversee the management and operations of the finance function

Experience and skillset:

- Envisionit's values are guided by Integrity, Innovation and Investment back into the countries we operate. The ideal candidate should share our core values of:
- Integrity, honesty and innovation.
- An open, inquisitive mind-set who's a big picture strategic thinker while having the ability to drill down into the detail
- A thoughtful yet strong leader with excellent problem solving skills that can get the most out the team
- Experience in analysing data from across the business to derive insights that assist in decision-making
- Ability to adapt and flourish in changing environments
- Digitally savvy and passionate about the positive impact tech can have on the world
- Thorough knowledge of accounting principles and procedures
- Excellent accounting software user (particularly Xero)

Benefits:

- Diverse and strategic role (with no time to be bored)
- Purpose lead business with positive world impact
- Part of a super cool and diverse team
- Employee share option scheme (Grow as we grow)
- Ability to work in SA and/or UK
- Market related salary
